BLACK COBRA

Reliability you can count on

20+ years Experience in industry

Black Cobra Laminates brings over two decades of industry experience, delivering proven expertise and consistent quality.

India's highly recognize laminate brand

Black Cobra Laminates is proudly recognized as a leading laminate brand in India for reliability and innovation.

high Quality Production Capacity

Our state-of-the-art facilities ensure high-quality production with scalable capacity to meet demanding deadlines.

Passion and Innovation driven laminate brand

Our passion for design and relentless innovation drive every surface we create.

European standard Papers

We source European-standard papers to guarantee precise finishes, uniform textures, and dependable performance.

10m sheet production per year.

We produce up to 10 million square meters of laminate sheets annually, ensuring broad assortment and steady supply.

Collection that Never unnoticed

WHERE
IDEAZ *become* REALITY

Our laminate finishes bring durability together with expressive texture and color, creating surfaces that withstand daily life while elevating any space. From warm, wood-inspired grains to cool, modern solid tones, these finishes offer a versatile foundation for kitchens, offices, and living areas. Subtle sheens and tactile textures enhance depth, making rooms feel inviting and thoughtfully designed. Consistent color and grain matching across panels ensure cohesive cabinetry and surfaces throughout your project. Easy maintenance and resistance to wear make laminate finishes a practical choice for high-traffic environments.

With advances in printing and layering techniques, finishes can mimic natural materials with remarkable realism or push creative boundaries toward bold, contemporary looks. Our ranges cover natural-looking grains, matte to low-sheen options, and accent textures that catch the light in just the right way. Whether aiming for a classic, timeless vibe or a striking, on-trend statement, laminate finishes offer a scalable solution that aligns with diverse design philosophies. Precision engineering ensures durability, color stability, and consistent performance across production batches.

for new

Ideaz

Our latest collection redefines lamination with a curated range that pairs tactile realism with modern durability. Each finish is engineered to capture the warmth of natural materials while delivering consistent performance for busy environments. Expect refined textures, subtle translucence, and a spectrum from quiet neutrals to statement tones.

Designed for versatility, the collection offers coordinated palettes and cohesive grain patterns that simplify project planning. Advanced print and layer techniques deliver authentic depth and color stability across batches. Easy maintenance, high wear resistance, and seamless integration with cabinetry and surfaces make these essentials for contemporary spaces.

TECHNICAL

BLACK COBRA

Properties	IS Requirement As per IS 2046 Type S, VGS	BLACK COBRA Conforms
Thickness	0.8 mm+- 0.08 mm	✓
Surface Defects A. Spots, Dirt, & Similar Surface defects B. Fibers , Hair, Scratches C. Accumulatin of surface defects.	Max Contamination area equivalent to 1.0 mm 2/m2 Max Contamination Length of 10.0 mm /m2 Max. Level for each of the two type of defects shall not exceed half of the levels prescribed in 5.4.1.1 & 5.4.1.2	✓
Edge Defects	20 max	✓
Broken Corner	One Broken corner of < 30 mm or two broken corners of <15 mm allowed	✓
Sanding Defects	Slight chatter Marks are allow	✓
Warping	Max warp 120 mm	✓
Dimension A. Length B. Width	+ 10 mm, - 0 mm + 10 mm, - 0 mm	✓
Straightness of Edge	1.5 mm/M^2	✓
Squareness	1.5 mm/M^2	✓
Resistance to Surface Wear Revolution (Min) Index No	Not Less than 150 (revolution)	✓
Resistance to Immersion in Boiling Water A. Mass increase % Max B. Thickness increase % Max C. Appearance Grade not worse than	Not More than 12 Not More than 14 Not Less than 4	✓
Dimensional Stability at deviated Temp. (Max) A. Length wise (L) % B. Cross Wise (T) %	Not more than 0.65 Not more than 1.15	✓
Resistance to Scratching , Index No	Not less than 2	✓
Resistance to Staining Grade not worse than A. Group 1 & 2 B. Group 3 & 4	Not less than 5 Not less than 4	✓
Resistance to Steam (Appearance Grade not worse than)	Not less than 4	✓
Resistance to Impact by small dia ball (Min), Index No	Not less than 3	✓
Resistance to cracking (Appearance Grade not worse than)	Not less than 4	✓
Resistance to Colour change (Wool standards) -In Xenon arc light In enclosed carbon arc light	Not less than Standard Blue Wool No. 6	✓
Surface Finish and reverse side bonding	The reverse side of sheets having only one decorative surface shall be suitable for adhesive bonding if so required	✓

Do not use chemicals for cleaning

Extra care required in vertical pasting of laminates sheet as there is possibility of bubbles due to lack of uniform pressure

Avoid direct sunlight/ continuous light. These may cause color fading

Cracking at corners and around cuts may be caused by improper conditioning, improper bonding, and poor planning. Avoid all these to prevent cracking at corners.

Remarks : Sample conforms to IS : 2046 : 1995 Requirements

NOTES :

Size : 2440 mm x 1220 mm [8'x4']
Thicknesses : 0.80 mm (other thickness available on request)
Notes : All tests may not be valid for metallic laminates.
Samples pasted, represent only color, pattern and finish and not actual thickness.
There may be slight variation in shades in batch to batch, particularly in metallic designs.
Bonding of laminates under high humidity, plywood with high moisture content, ply with uneven surface, inferior quality adhesive and insufficient pressure may lead to delamination/ air bubbles in between ply and laminate.
BLACK COBRA warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, related to manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only.
BLACK COBRA products are used for various applications, without the possibility of control over the manufacturing of the finished products. The company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.

APPROVED BY: ISI:2046 ISO 9001:2015 ISO 14001 ISO 45001:2018

THIS IS FOR SAMPLE PURPOSE ONLY. NOT FOR SALE
