BLACK COBRA®

Də'zīn

Delve into the craft, the aesthetics, and the tailored vision of the artistry! An array that succumbs the future of designs for your space!

BLACK COBRA®

Unveil our exquisite range of premium luxury laminates, where unparalleled design meets exceptional durability, transforming your spaces into sophisticated retreats.

BLACK COBRA®

About us

At Black Cobra, we redefine luxury through innovation, offering exclusive designs tailored for connoisseurs of style and aesthetics. Our commitment to craftsmanship and cutting-edge technology ensures that every product not only meets but exceeds the expectations of discerning customers. Each piece is meticulously crafted, blending timeless elegance with contemporary flair, making a bold statement in any space. We believe that true luxury lies in the details, and our designs reflect a passion for beauty and sophistication.

Our team of visionary designers continuously pushes the boundaries of creativity, resulting in collections that resonate with the finest tastes. By harmonizing form and function, we create laminates that enhance the essence of modern living while celebrating individuality. At Black Cobra, we understand that every space tells a story, and our exclusive offerings are designed to inspire and elevate that narrative. Join us on a journey where innovation meets artistry, and transform your environment into a masterpiece.

designed in ITALY 

Our exquisite collection exudes
eminence and magnificence,
embodying a sense of majestic
opulence that captivates the
senses.

Each piece is thoughtfully
designed to reflect a modern
touch of class, seamlessly
blending bold creativity with
refined elegance.

The flamboyance of our designs is
perfectly balanced with a
graceful sophistication, making a
striking statement in any setting.

contemporary living.

BLACK COBRA®

Low Emission

Our luxury laminates incorporate low emission technology, promoting a healthier indoor atmosphere without compromising on style or durability.

USP

Scratch Resistant

A range of super gloss laminate that offer a high level of resistance to scuff, MAR (micro scratches) & abrasion which maintaining 4 time longer shine then any other used laminate. Application, it gives no seams around corner & are smooth & evenly laminated. This laminates can be formed into simple cylindrical concave or convex curves.

BLACK COBRA®

25

26

Də'zīn

Low Toxicity

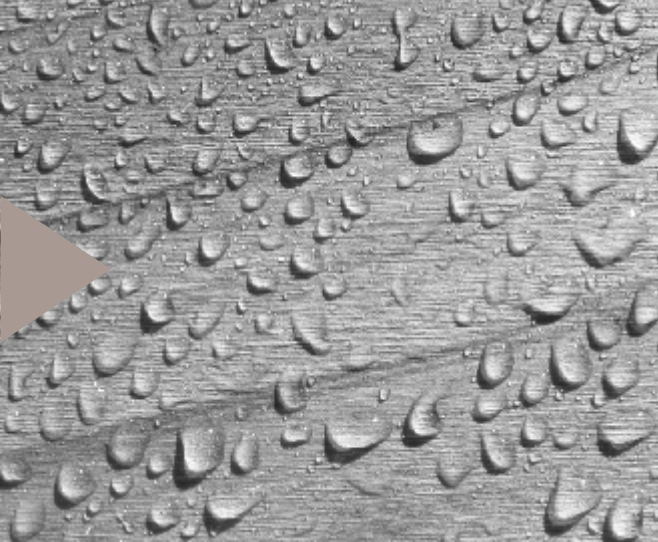

Featuring a sophisticated design, our products prioritize low toxicity, ensuring a stylish aesthetic that promotes a healthier indoor environment without sacrificing elegance.

Moisture Resistant

Our surfaces are impervious to water or moisture and remain unaffected by their presence.

Anti Bacterial Laminates

These laminates possess the characteristic of inhibiting or killing the growth of bacteria on their surface, thus preventing the spread of harmful pathogens.

Termite Proof

This property possesses the characteristic of being impervious to termite infestations, preventing the insects from damaging or feeding on the Laminates and infusing in them long-lasting protection and durability against termite attacks.

Heat Resistant Fire Retardant Laminate

our Fire retardant laminate have superior resistance to flame propagation & are designed to perform in demanding environment .This laminate has low propagation of flame a high resistance to steam & delays in temperature rise.

Impact Resistant

Our surfaces are sturdy enough to endure severe impacts like those caused by hammers.

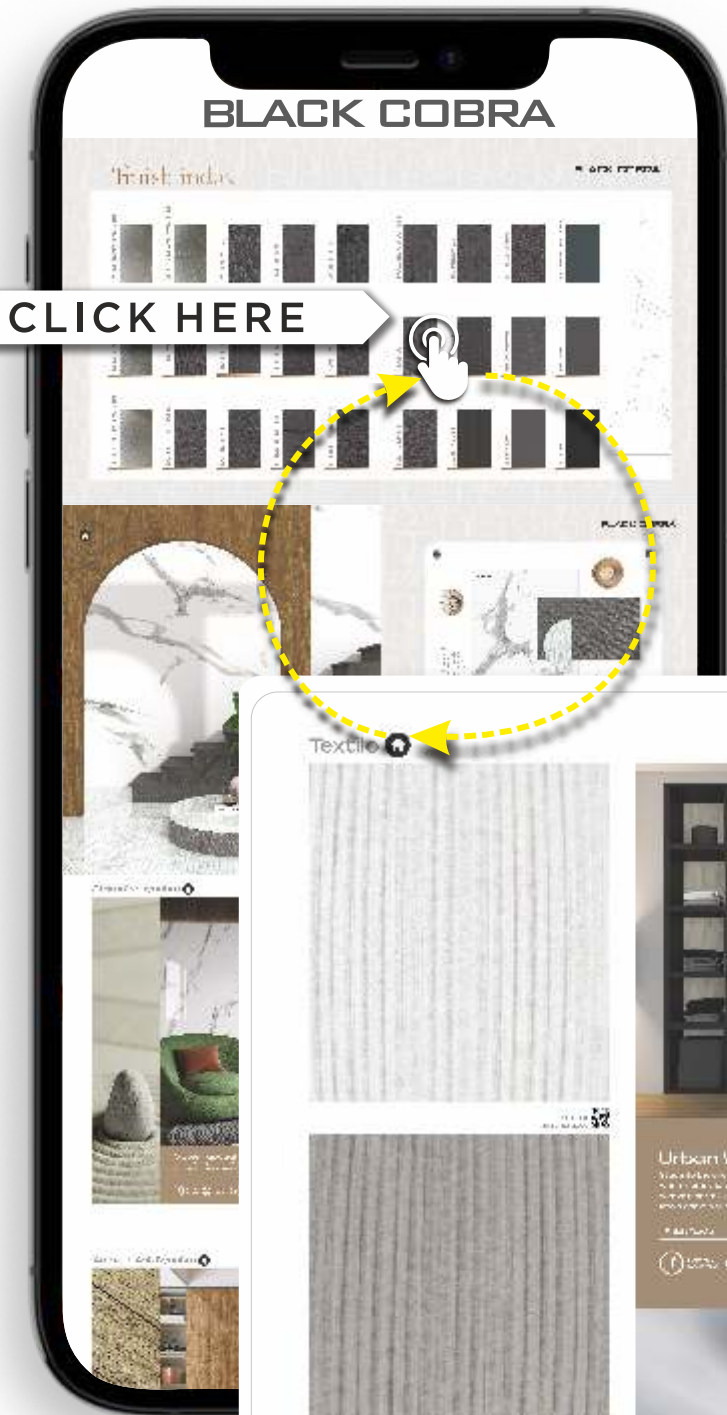

Heat Resistant Fire Retardant Laminate

our Fire retardant laminate have superior resistance to flame propagation & are designed to perform in demanding environment .This laminate has low propagation of flame a high resistance to steam & delays in temperature rise.
